What's Your Scene?

If you answer "yes" to most of these questions, then you might consider looking for a "Behind the Scene" customer service job:

1. Could you work with more than 10 people in a room?
2. If a customer needed assistance or information, would you be willing to help them?
3. Do you feel okay working near customers (people you don't know)?
4. Would you rather have infrequent (i.e. once per hour) social contact with new people?
5. Are you okay working in a busy environment?
