What's Your Scene?

If you answer "yes" to most of these questions, then you might consider looking for a "Behind the Scene" customer service job:

- 1. Could you work with more than 10 people in a room?
- 2. If a customer needed assistance or information, would you be willing to help them?
- 3. Do you feel okay working near customers (people you don't know)?
- 4. Would you rather have infrequent (i.e. once per hour) social contact with new people?
- 5. Are you okay working in a busy environment?
