I have a Question

How are you?	How much?	How many?	When?
What time is it?	What is the price?	What is your name?	What is it?
Who are you?	Where are my meds?	Where are we going?	Why?
Which one?	Where is the bathroom?	Where is the nurse?	Where's my companion?
What is for dinner?	Where are my glasses?	Where is the doctor?	Where is my family?
